

New York West Leadership Seminar Scholarship Application

Purpose

HOBY New York West dedicates a limited number of scholarships to provide assistance to Western New York high school sophomores who are unable to pay the \$225 HOBY leadership seminar registration fee. HOBY NYW scholarships are intended to provide temporary financial support until local funding sources are established.

Guidelines

1. HOBY NYW scholarships are limited to 1 student from each high school.
2. The scholarship applicant must be registered as the **primary ambassador** from his or her high school by his or her school counselor. Students registered as “additional” registrations are **not** eligible for HOBY NYW scholarships.
3. Scholarships are intended to provide **temporary financial assistance** while permanent funding sources are established. HOBY NYW scholarships are **not** intended to provide funding for any one high school for more than 2 years out of every 6 consecutive years. A school is eligible for one \$225 scholarship in its first year of applying for scholarship assistance and one \$75 scholarship for its second year of applying during a period of 6 consecutive years. Following 2 years of scholarship support from HOBY NYW we ask that you seek local funding for a minimum of 4 years before applying for another HOBY NYW scholarship.
4. Scholarship applications will be reviewed by the HOBY NYW scholarship committee before being awarded to an individual student.
5. If a school feels it has special circumstances for requesting funds more than 2 years out of 6 consecutive years, these requests should be made in writing and will be considered on a case by case basis by HOBY NYW.

Application Deadline and Award Notification

All scholarship applications must be submitted to HOBY NYW no later than Dec. 1, 2017. Scholarship applicants will be notified of their award status on a rolling basis.
